Everything looks fine. Agree with your comments and trust you guys to match to Standard and Deluxe pieces.

Eileen:

In tonight's pouch, I am sending you the following:

1. Actual printed sample of alternate entry (in an uncut sheet).

2. Follow-Up proofs for the envelope and catalog (letter proofs to follow tomorrow) that reflect the changes made (or indicate changes that will be made on-press). Please call ASAP tomorrow morning to confirm all is ok (we are going on-press with the catalog as soon as I get confirmation from you).

Thanks, Eileen. -rebecca
